Sage and Charlie here with some woof-breaking news! SPOT is hosting **Whiskers & Whine 2022**, our largest fundraiser of the year on **Tuesday, April 5** at the acclaimed Plot Restaurant in Oceanside. This fun evening event will bring together animal lovers to mingle, enjoy wonderful food & drinks, win raffle prizes, and bid on incredible silent auction items - all to support the animals who desperately need our help. COVID has worsened the plight of homeless animals, so your support is needed now more than ever.

As rescue dogs ourselves, we know that if it wasn't for SPOT, we wouldn't be in the loving forever homes we both have. You can make the difference between life and death for a homeless animal! To give you an idea of costs in 2022 - **\$80** provides two days of boarding; **\$150** covers fees, basic vetting and microchipping for getting one shelter dog or cat off death row; **\$300** will allow us to spay or neuter one animal; and **\$500** is just a fraction of what it costs us for animals with medical needs.

We are begging for your help on behalf of all our four-legged friends in need! Please save the date, tell your friends and family, and plan on purchasing tickets when they go on sale February 21. In the meantime, please consider donating items or services, large or small, for the silent auction. All items are tax deductible. To find the donation form and get updates, visit [SPOT](https://www.spot.org) or email us at spot.whiskerswhine22@gmail.com for more details. Other questions? Call 760 519 3227.

With our grateful thanks for your support
Our very best woofs, Sage & Charlie

SPOT - Savings Pets One at a Time is an all-volunteer 501c3 group, EIN 27-2774363. We are working in your community for the homeless dogs and cats in San Diego County that are at risk for euthanasia. Shelters are currently overfilled and cannot help all these animals in need. This is where SPOT steps in with rescue from shelters, finding foster and forever homes, advocating and funding spay/neuter clinics and hosting adoption events, fundraisers, and educational presentations.
